

Giving you our best

GM has been extending innovative technology and luxury experiences for more than two decades. Our years of experience and expertise provide invaluable benefits for our production facility in Mumbai as well as in close co-operation with our global suppliers. It is of vital importance to us that we only work with suppliers that share our commitment to high quality. That is why our association has always been with talented, creative designers who have a responsible attitude towards design. And that is why we carefully select our suppliers so that we can work closely with them and supervise the whole production affair.

To achieve a perfect balance between carefully selected raw materials, beautiful design, functionality and good value is our moto. Every little piece, detail, line and material has been meticulously considered to ensure that the end result will work wonders in your home.

The entire GM product range catalogue can be found online on our website www.gmmodular.com.

X-NOA
with Genia Switches

The new X-Noa plate transforms the regular into something exclusively gracefully. Give your old wooden switch boxes a brand new modular look with X-Noa. Also available in various sizes, X-Noa is compatible with different wooden boxes. With a variety of textures and colours, choose the one that suits best to your home.

Have a close look at the unconventional design of the X-Pulse. Pleasing finishes in glossy, metallic and wood, the switch plates are well suited for a good design reputation. The gently risen contours in the center become a visible and distinctive factor of the switch plate. Add the charm of an individualistic design of the X-Pulse and live the joy of a good lifestyle.

X-PLANA
with Viva Switches

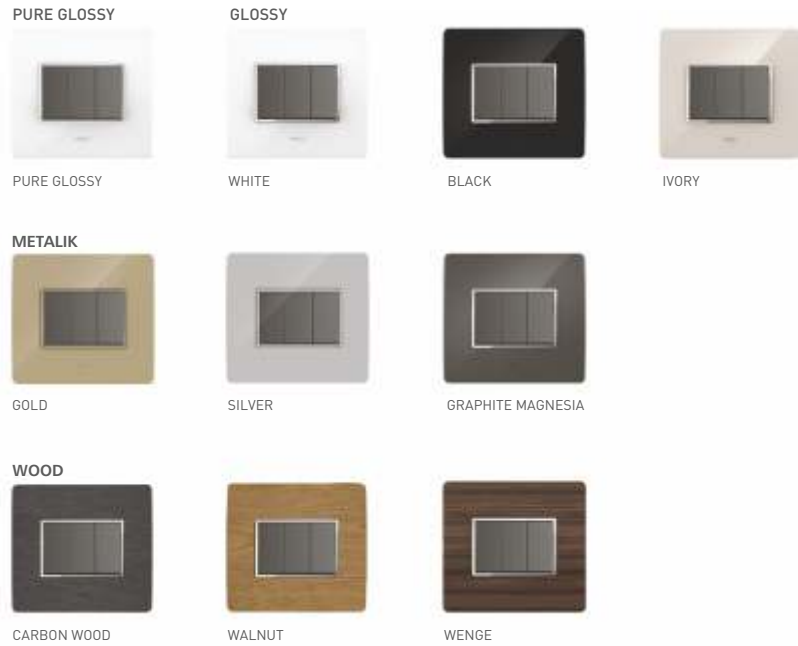

A curve so small that makes all the difference. X-Plana switch plate has the ideal design to be a pleasing element of a stylish home décor. The premier designer plate has a beautiful arc that bends between top to bottom and simply becomes a testament to an impressive simplistic design.

Simplicity is the ultimate sophistication and the stunning classic design of X-Brillo pronounces precisely the same. The impeccable consistency of the flat ultra-smooth surface in plastic & glass with the classic unseen contours purely signify its classiness. With its exemplary design, which speaks miles of your unique taste for simplicity, X-Brillo is a class apart from its league.
